Me and My Magic Cube

Tue. 10th Jan.

Hello, everybody. This is the first time I create a blog and post something on it. So, I am going to talk about myself because many people from different parts of the world do not know me.

My name is Mohamed Islam Bouhafs. I am 12. I live in Batna. My father is a journalist and my mother is a teacher. I have got one brother and two sisters. I am tall and slim. I have got dark hair and black eyes. My friends say that I look handsome. I don't know.

I can solve the Magic Cube in thirty seconds. Every day, I train myself on the cube for one hour because I am getting ready for the International Magic Cube Championship.

I live with my grandparents. Every weekend, I visit my aunt and uncle to play with my cousins. I love them very much because they are kind and nice to me.
