Dear John,

Thank you so much for your letter you sent me last week. I'm so happy that all the family is fine. I'm writing this letter to tell you that I'm having a great time in England with my parents. We arrived here two days ago. Our flight was really good and comfortable. The weather is sunny, the English people are friendly and the city is so beautiful.

This week, we will visit some of their amazing monuments such as "The Big Ben" and "The Tower Bridge" and also "Buckingham Palace" they are the most touristic and historical landmarks in London. I'm so excited. I will send you many photos about them.

In the second week, I will do some shopping with my parents, taste their food in their famous restaurants and visit "The Natural History Museum", "The Science Museum" and other amazing attractions of London.

I hope to have enough time to visit some of their breathtaking gardens such as "Queen Mary's Rose Gardens" and "Sky Garden".

We will return to Algeria on July 25th. What about you? Where will you spend your holiday?

Looking forward to hearing from you soon.

Your best friend, Mohamed.

I Love Summer

Hi Friends! My name's Maria. I'm twelve years old and I live in Manchester, Britain. I would like to talk about my vacations. We have a longer school holiday in the summer in Britain.

Next July or in August my mother, my father, my little sister, Sophie and I will go away for two weeks. We will visit different places. We will go to European countries like Greece, Spain, Italy or France. All of us prefer warm places and of course the sea.

During our vacation, I will swim in the sea, sunbathe, do some sports and I will visit famous places and have fun.

We usually travel by plane when we go abroad because it is fast and comfortable. We often stay in hotels, but sometimes we rent a house.

Eating unhealthy food and not practising sport cause obesity and you can have overweight. To keep healthy, you have to eat a balanced diet. Your food should include different vegetables, fruits, protein and grains. You should avoid all the foods that contain a lot of sugar, oil or fats. You have to eat fruits and vegetables because they contain vitamins. You should eat white meats as chicken and fish because they contain protein. Don't forget that you should practise sport as jogging and stretching because they are very important to keep your body well shaped and energetic. Drink water as much as you can, its very good to your body.

Don't sit on the sofa, watch T.V and eat and never exercise. That's very dangerous to your health, you'll gain extra weight and some illnesses.
