Hello my friend,

I am happy to tell you about the itinerary of my wonderful trip around Europe.

First, I started my trip from the capital London and flew to Lisbon, Portugal. I arrived at 10:00 a.m. I walked around the city where I saw many beautiful sights. Then, I went to Batalha town and visited "Batalha Monastery" which is one of the most impressive masterpieces. I had my lunch there and ate caldo verde soup which is very tasty. Next, I travelled on TGV (high speed train) to Barcelona, Spain, to see the famous building "La Sagrada Familia" which was designed by the talented architect Antonio Gaudi. I took many photos there with some Spanish friends and enjoyed our dinner by having the traditional rice dish "Paella". I spent the night in that town because I wanted to stay with my friends as much as I can. After that, I moved to France and visited the splendid monument made of iron the "Eiffel Tower". I also walked along the Seine banks and ate very delicious crepes. Later, I sailed to Italy on a cruise ship. I visited the floating city "Venice" and walked over lots of bridges like "Rialto Bridge". I ate "spaghetti" at Fiola Restaurant with a fascinating view on canals.

Finally, I came back to London after having nice days and unforgettable moments. What about your summer itinerary?

**Bye for now,
Emily**
