

- We can link between the two pairs using whether if in type 01 or using "provided that- providing that- as long as- so long as- but only if"

### Lesson01: Expressing condition

If conditional type 01

→ Possibility

If + Present Simple, Future Simple  
Future simple + If + Present Simple

Providing that

Provided that

As long as

But only if

Ex: **Providing that** you work hard, you will succeed.

Providing that + Present simple , future simple

Subordinate clause , main clause

You will succeed **providing that** you work hard.

future simple + Providing that + Present simple

Provided that + Present S  
→ future simple

We can say:

If you **revise** all the lessons, you **will pass** the exams easily.

You **will pass** the exams easily if you **revise** all the lessons.

**N.B:** provided that – providing that – as long as – so long as – but only if **function as same as if in type 01.**

**Also** they can be placed whether at the beginning of the sentence as well as in the middle the most important thing is that they must be linked **with the subordinate clause** which is **the first action.**

+ Parents  
= future S
