Topic one:

The illegal activities have known
an incredible raise recently in Algeria.

Write an article of about 80-120 words
to talk about the possible consequences
behind this spread.

The illegal acts are the behaviors that harm both individual and society. So, what are the possible consequences behind the spread of these acts?

To begin with, the expansion of the illicit practices contribute to the loss of security and stability inside societies and that can cause a lot of social problems such as internal conflicts.

Secondly, The illicit behaviours would
