Let's suppose you were asked to write an article for your school magazine to suggest possible measures to resolve conflicts.

Talk about
clarify
mention.

general idea: So what are the possible measures to resolve conflicts?
firstly, it is a good thing to use verbal negotiation for example establishing meeting and try to find solutions that suits both sides.

How to write an article:

is a piece of writing that
composed of three paragraphs.

1- State a title

2- **Introduction:** you can define or present the theme +

general idea (to inform the audience what the article is about)

3- **body:** a- use sequencers to guide your audience (first, second, third)

b- State your ideas and support them (give examples, explanations, causes, consequences ...)

4- **conclusion:** - You can state your opinion

- You can summarise the main points you talked about in your body (briefly)

- You can give advices or suggestions.

نوكي

- 1- **It's a good thing** to aware people and nations about the value of humanity and peace in the world.
- 2- Open communication can help in solving all types of conflicts which means that people should listen to each other's differing viewpoints without passing judgment or interjecting.
- 3- **It is also advised to** encourage collaboration between countries and nations to address poverty and starvation in all parts of the world.

Let's prevent conflicts.

Conflict is a dispute between a group of people or countries because of a disagreement of opinions or beliefs.

So, what are the possible solutions to resolve conflicts?

firstly, it is a good thing to aware people and nations about the value of humanity and

peace in the world. Secondly, open communication can help in solving all types of conflicts which means that people should listen to each other's different view points without making judgement or interjecting. Thirdly, it is advised to encourage collaboration between countries and nations to address poverty and starvation in all part of the world.
